Additional Information

| | |
|--|---|
| Formal award of a degree | Formal document is awarded to the student and is a notice that the award has been conferred by a college, university or board of trustees and appears permanently on the student's transcript. Formal awards generally do not include continuing education credits or certificates, certificates of completion, or other forms of recognition issued by departments or individual faculty members, including most 'professional development sequences.' |
| Full Board | Review by the Illinois Board of Higher Education and on the agenda for an IBHE meeting. |
| RME | Reasonable and Moderate Extension. An RME request consists of a brief description of the proposed changes submitted to IBHE by the Office of the Provost via the Office of Executive/Vice President for Academic Affairs. Based on criteria related to program objectives, clientele, and resources, the IBHE staff will determine if the proposed changes are a reasonable and moderate extension of existing program authority. |
| Annual Listing | Report to the Illinois Board of Higher Education regarding items that were approved by the Illinois Board of Trustees at a previous meeting. |
| Temporary Suspension of Admissions | Temporarily suspend admission to and enrollment in a program for a semester, year, or more up to 5 years. |
| Non-Direct Suspension of Admissions | Change a program's admission status from open to one that does not directly admit students. |
| CIP | Classification of Instructional Programs. A taxonomy developed by the National Center for Educational Statistics where degree programs are categorized using six-digit codes. Repositioning a degree program, such as moving a degree in Music Education from the College of Education to the School of Music, would require a change in the program's CIP. |
| * | Curricular revisions may be effective in the term in which they were approved. Most other proposals will not be effective until the term subsequent to when they were approved. |
| ** | Sponsors of Campus transcriptable certificates should consult with the Provost's Office for guidance on CIP selection and stackability to determine further information related to IBHE review. |
| *** | Suspensions of Admission are reported to IBHE as an Annual Listing when the program (1) appears on the IBHE APEER report and the unit indicates phasedown is planned; (2) formal action initiating phasedown has not been taken during the course of the next two APEER reporting cycles; and (3) there is no enrollment. |
